

Land Development Code Update

CITY COMMISSION

WORKSHOP #1

Thursday, August 8th @ 4:30 PM

Kindly mark the date and time to attend this Workshop hosted by the team representing Kimley-Horn, the consultant firm retained by the City to oversee the much-anticipated update of the Land Development Regulations.

This is an opportunity to voice your concerns, your ideas on matters you would like to see changed, addressed and/or incorporated into this document that regulates all aspects of development, including zoning, rezoning, permitted uses, signs, site development, land use and similar regulations.

Mark W. Shelton, AICP, Project Manager will facilitate.
